\* **Lead Faculty Responsibilities:**

- Assign 1 article to each 2<sup>nd</sup> year resident (there are four 2<sup>nd</sup> year residents);
- Dinner for the residents would be appreciated, though not required (you must make catering arrangements with Chartwell's at least 5 days prior to your event. If they cannot meet your schedule, you must get a confirmation of their right of first refusal before seeking catering elsewhere...I'll be happy to help in this regard);
